THE PARKER

BREECH-LOADING DOUBLE-BARRELLED

This popular Gun undeniably supports its claim as being the

BEST IN THE WORLD. PERFECTLY SIMPLE IN CONSTRUCTION.

Very Strong and Durable. BARRELS SELF-LOCKING.

Uses Central Fire Metallic or Paper Cartridges,

AT THE OPTION OF THE PURCHASER.

It has been four years before the public, and its success is really remarkable. Its superiority over all others and the claims of the manufacturers are well substantiated by the following

FACTS:

There are more Parker Guns in the hands of American Sportsmen than any foreign breech-loader.

There are three times as many Parker Guns in the hands of American Sportsmen as there are of any other American-made breechloader.

Association the number of sportsmen who used 'the Parker Gun was equal to that of all others who used central fire breech-loaders, of both American and foreign make combined.

While the Parker Gun is so often reported as distinguishing itself at large shoots throughout the country, it is noticeable that few

such reports are made of any other gun.

The lowest price Parker Guns are within reach of those of moderate means, while they are in every way a thoroughly good Gun.

The higher grade Parker Guns are gotten up in a style equaled by few and excelled by none. The most fastidious will find them all that can be desired.

Greenville, Miss.

The Breech-loader ordered of you has been received, and to say that I am more than pleased with it. does not express half my feelings. I gave it a fair trial, and it is, in my opinion, the most perfect gun I ever saw, and this is the universal opinion of our sportsmen who have J. B. BRIGGS,

Russellville, Ky.

I am delighted with my gun, and am satisfied that I have in it all I bargained for.

H. W. DULANEY

H. L. GAINES, Brunswick, Mo.

The gun is the best in New Orleans, and everybody is pleased with it. FOLGER & CO., New Orleans, La.

C. W. LEWIS. Greenville, Miss.

The Double-barreled, Breech-loading Shot Gun which I got from you gives general satisfaction.

JOHN N. GLASS, Trenton, Tenn.

Its distribution of shot is all that any sport could desire. Its conveniences as a breech-loader can scarcely be over-stated.

JERE. WILLIAMS Woodsfield, Ohio.

ALTERING OVER MUZZLE LOADERS.

In reply to correspondents wishing their muzzle-loaders altered to breech-loaders, we would say that it is not practicable. We sometimes take them in exchange for Parker Guns, and if correspondents will inform us the kind and quality of their muzzle-loaders, as well as the style of Parker desired, we will make them an offer.
